Property size qualification:

Each applicant will be assessed, by the particular scheme council, to determine what size of property they qualify for. The table below gives an indication of how this will be assessed.

Once proof of pregnancy is provided (MATB1) the unborn child will be classed as a child for the purposes of property size eligibility only.

Please note:

- Assessment will be based on the suitability of the property for the size of the household.
- If you have access to a child or children for four or more nights a week they will be classed as living with you. We will require proof of this.
